

Heavy Duty Industrial Pedestal Fan

J&D's Heavy Duty Industrial Pedestal Fan is an efficient and portable air circulator. It's perfect for keeping machinery and employees cool in the warm summer heat. Set the fan in front of the maternity pen or hospital barn for added cooling on the cows that need it most.

Features

- Heavy gauge corrosion resistant powder coated fan guards, base and pole
- Pedestal pole has a chrome insert tube to adjust the center height of the fan from 3' 10" to 5'2"
- Direct drive and quiet operation
- Wide, low profile base with 4" rubber wheels to easily transport the fan
- Attached cord with 3-prong plug pre-wired for 115 volts
- Available in oscillating models with an 80° pivot range, or non-oscillating models
- 3-bladed aluminum propeller
- 30" oscillating fan has ½ HP high output performance motor
- Guard meets OSHA 1910.212(a)(5) requirements
- Totally enclosed, maintenance-free, high-efficiency motors have completely sealed ball bearings, and are covered by a **2 Year Warranty**

**Wheels
for easy
transport**
